## **AMENDMENT 4**

Given the current uncertainty of how long the Government shutdown will continue, the General Services Administration's (GSA's) Employee Relocation Resource Center (ERRC) is extending the expiration date of all rate offers that were accepted in accordance with the Centralized Household Goods Traffic Management Program's (CHAMP's) Request for Offers (RFO) dated August 24, 2012. Rate offers that were due to expire on October 31, 2013 will now be extended through November 30, 2013.

The ERRC is also extending the due date for rate offers submitted in response to both the CHAMP RFO dated August 29, 2013 and the Extended Storage RFO dated September 3, 2013. Rate offers for both of these RFOs will now be due by 10:00 PM Central Standard Time on Monday, October 28, 2013.
