

Creating a Mid-Year Appraisal

Module Overview

Purpose As part of the automation of the APPAS policy, supervisors can manage performance evaluations and appraisals through CHRIS Self-service. This automation includes issuing performance plans, and conducting mid-year progress reviews. Once the performance plan has been routed to self-service, control of the plan resides with the rating official (supervisor) through out the rating period.

Menu Bar

The menu bar is located under the address bar and provides tools needed to navigate through the self-service views.

The Home  icon will return you to the Home page

The Navigator  icon allows you to change responsibilities

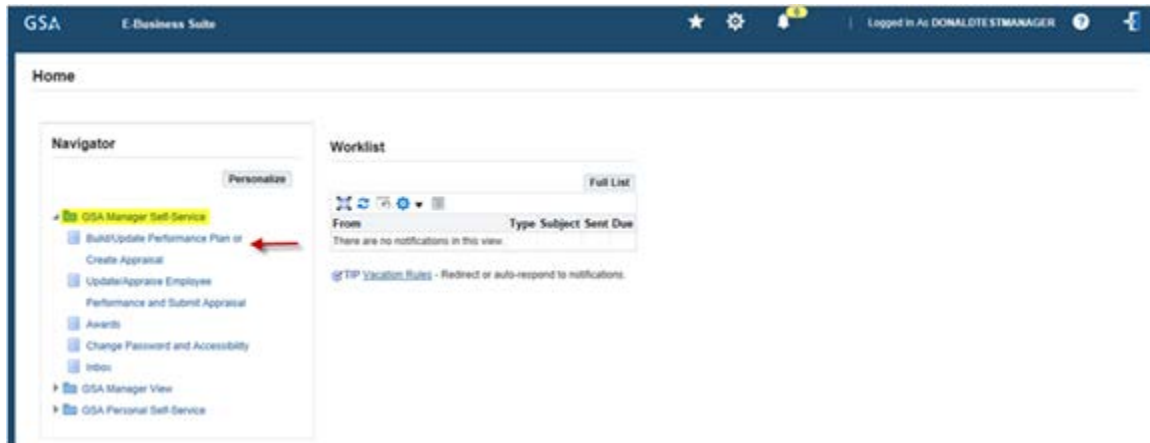

The Favorites  icon will allow you to manage your Favorites

The Notifications  icon allows you to view the notifications in your Worklist

Click on the Logout  icon to exit the application

The Performance Plan Screen & Querying Employees

After logging in to CHRIS click on the Manager Self-Service responsibility on the left hand side of the screen and then select the **Build/Update Performance Plan or Create Appraisal** menu option

This will take you to the Build Performance Plan screen which is separated in to two sections; the Search and Select section and at the bottom of the screen are the performance plan listings for selected employees.

Plan Information Users Guide and Video Tutorial | Appraisals | Build Performance Plan

To build a new performance plan for an employee, click on the "Build Performance Plan" button. To work with an existing performance plan, use the Search function to locate the performance plan.

Instructions on working with existing plans can be found below:

Query your employees by checking the box to the left of “Plans where you are the Main Appraiser” or by individual query using the “Name” field and click on “Go”.

For each employee, begin by clicking on the “Details” icon  to ensure that the performance plan is current. If any changes were made since the beginning of the year that are not documented in CHRIS, close the “Details” screen and then click on the “Update Plan/Change Appraiser” icon , to make changes to the performance plan.

Creating the Mid-Year Appraisal

Once you have determined that the performance plan is accurate, create the Mid Year Appraisal record by clicking on the “Create Mid-Year” icon , to the far right of each respective performance plan.

After you click on the “Create Mid Year” icon , you will receive a warning message (see below), click the “Yes” button , to confirm creation of the mid-year appraisal.

After clicking on the “Yes” button  , the system will return you to the Build Performance Plan screen and you will see a confirmation message that the Mid Year Appraisal has been created.

When you are finished creating the Mid Year Appraisals for all of your employees, click on the “Home” link  , in the upper right hand corner of the CHRIS screen. This will return you to the Navigator screen.
