COMMITTEE RESOLUTION
ALTERATION
MISSISSIPPI RIVER COMMISSION
VICKSBURG, MS
PMS-0071-VI22

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for repairs and alterations to modernize the Mississippi River Commission Building (MRC) located at 1400 Walnut Street in Vicksburg, MS. The project will provide for upgrades or replacements of aged building systems, building envelope, and historic windows, and address accessibility and life-safety issues at a design cost of \$1,981,000, an estimated construction cost of \$20,113,000, and a management and inspection cost of \$1,655,000, for an estimated total project cost of \$23,749,000, a prospectus for which is attached to and included in this resolution.

Provided, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, that the Administrator of General Services shall aim to achieve net zero carbon buildings, if determined by the Administrator to be practical and cost-effective.

Adopted: **October 27, 2021**
