Notwithstanding Paragraph 3 of the Standard Form 2, the shell portion of the rental payments due and owing under this lease shall be reduced to fully recapture this Commission Credit. The reduction in shell rent shall commence with the thirteenth month of the lease term and continue as indicated in this schedule for adjusted Monthly Rent:

Fifteenth Month's Rental Payment of \$2,084,000.00 minus prorated Commission Credit of [REDACTED] equals [REDACTED] adjusted Fifteenth Month's Rent.

E. For purposes of Paragraphs 3.5 and 3.6 of the SFO, as of the date hereof, the Government's percentage of occupancy is 88.32 %, based on occupancy of 521,000 BRSF in a building of 589,916 BRSF. Evidence of payment of taxes shall be furnished as provided by Paragraph 3.5 D of the SFO.

A minimum of three hours shall be charged for each usage of hourly overtime that is not consecutive to the Normal Hours Schedule. The foregoing overtime HVAC rates shall escalate in a manner consistent with section 3.7 "Operating Costs" in the SFO. The foregoing overtime HVAC rates are inclusive of all labor, maintenance, service and engineering fees. Notwithstanding the hours of HVAC service, the Government shall have access to the leased space and appurtenant areas at all times without additional payment, including the use, during other than normal hours, of necessary services and utilities such as elevators, toilets, lights, and electric power.

K. The adjustment to the rent for space previously occupied by the Government and then vacated is \$1.00 per BOASF if less than one half floor of space is vacated, \$2.00 per BOASF if one half floor to less than one full floor of space is vacated, \$3.00 per BOASF if one full floor or more, but less than all of the leased premises, is vacated, and \$4.75 per BOASF if the entire leased premises is vacated.

L. As part of the rental consideration and at no additional cost to the Government, Lessor shall cause the following types of amenities to be available and open for business at Constitution Square by the Government's required occupancy date set forth in SFO Paragraph 1.7: one full service bank, one coffee bar/store, two restaurants, one postal facility, and one sundry store/dry cleaner, all as further described in Attachment L hereto. The leased premises shall not be considered substantially complete and the Government shall not be required to accept space until the foregoing amenities are available and open for business. In addition, as part of the rental consideration and at no additional cost to the Government, the Lessor shall provide a 3,100 square foot fitness and exercise center in One Constitution Square, as more fully described in Attachment L hereto, which will be available to Government employees and contractors permanently housed in Two Constitution Square for a nominal charge of initially \$10 per month per person. The leased premises shall not be considered substantially complete and the Government shall not be required to accept space until either the foregoing LEED Core and Shell Gold certification has been obtained or the Lessor has provided satisfactory evidence to the Government that such certification can and will be obtained within a reasonable period of time.

N. Pursuant to Paragraph 9.6 of the SFO, the Government has full security control over all parking areas, surface or structured. Pursuant to Paragraph 1.3(B) of the SFO, only federal employees shall be permitted to park in any on site parking facility. During the term of the lease, the Government, including Government employees occupying the leased premises, may purchase individual permits separate and apart from the rental due under Paragraph 3 hereof to lease up to 322 parking spaces in the building's garage at annual rates of \$2,640.00 per non-reserved space and \$3,600.00 per reserved space. In addition, pursuant to Paragraph 1.5(B)(2) of the SFO, the Government may elect at any time during the term of the Lease, by written notice to Lessor, that it will lease the entirety of the garage, effective on the commencement of the first day of the first month following the notice, at an annual rental of \$983,600 (inclusive of operating expenses and taxes, adjustments, charges, or assessments of any kind) for 365 parking spaces. Commencing on the first anniversary of the Lease, and every anniversary thereafter, the annual parking rent applicable to any lease of the entirety of the parking garage shall escalate in a manner consistent with section 3.7 "Operating Costs" in the SFO. The election to lease the entire garage may be accomplished, at the election of the Government, by amendment of this Lease in accordance with the terms set forth herein, or by a separate operating agreement with the Lessor not inconsistent with the terms set forth herein.

O. The Lessor shall not make any substitutions of key personnel set forth in the list attached as Attachment K to this SF 2 without the advanced written permission of the Government. Substitutions will only be permitted where the Lessor can demonstrate to the satisfaction of the Government that the proposed substitution has qualifications and experience equal to or greater than the individual being replaced.

P. Upon request of the Government, Lessor agrees to furnish an updated SFO Attachment #4 for Fire Protection and Life Safety Evaluation. Lessor shall ensure and provide as necessary at Lessor expense, all Fire and Life Safety improvements of this SFO to ensure that the building meets all local and national codes including NFPA 101. Lessor agrees to make improvements specified as part of the Attachment #4 and as recommended by GSA fire safety review. All improvements must be made prior to the Government's acceptance of space.

Q. Prior to occupancy, Lessor agrees to furnish a seismic certification showing that the building construction fully complies with section 2.2 "Accessibility and Seismic Safety" of the SFO.

R. The Government shall have the option, exercisable at any time on or before January 15, 2010, by written notice to the Lessor, to lease, under a separate lease ("Expansion Space Lease"), the remainder of the space in the building comprising approximately 54,790 BRSF (yielding 49,053 BOASF), and consisting of 4,187 BRSF (yielding 3,742 BOASF) located on a portion of the 11<sup>th</sup> floor, 49,481 BRSF (44,220 BOASF) located on the entirety of the 12<sup>th</sup> floor, and 1,122 BRSF (1,091 BOASF) located on a portion of the P1 level (the "Expansion Space"), on the same terms and conditions as set forth herein. Accordingly, the Expansion Space Lease shall provide for:

1. a leased premises of 54,790 BRSF (yielding 49,053 BOASF);
2. a firm term of 15 years;
3. an annual rent of \$2,629,920.00 (\$48.00/BRSF) payable at a rate of \$219,160.00 per month in arrears;
4. a rental abatement of \$1,773,201.85 applied as follows: (a) rent for the first six (6) full months of the lease term (inclusive of operating costs and amortization of the tenant improvement allowance) in the total amount of \$1,314,960.00 shall be abated entirely; and (b) a portion of the monthly shell rent shall be partially abated during the 7<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup> full months of the lease term, in equal monthly amounts of [REDACTED], for a total amount of [REDACTED] to account for the Government's Commission Credit as set forth below;
5. a Tenant Improvement Allowance of \$2,035,699.50 (\$41.50/BOASF);
6. a Brokerage Commission and Commission Credit of [REDACTED] of the lease value for years 1-10 and [REDACTED] of the lease value for years 11-15 of the fifteen year firm term), which shall be due and payable as follows: [REDACTED] is due to Studley, Inc. upon execution of the Expansion Space Lease by the Government and payable within 30 days of receipt of an invoice, and the remaining amount of \$[REDACTED] is the Commission Credit and shall be paid as free rent in equal monthly installments of [REDACTED] each during the 7<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup> full months of the Expansion Space Lease;
7. an operating costs base of \$469,550.30 (\$8.57 per BRSF; \$9.5723055 per BOASF);
8. the Government's percentage of occupancy under the Expansion Space Lease shall be 9.29% of the total 589,916 BRSF in the building; and
9. the parties shall confer and agree upon a mutually acceptable design and construction schedule consistent with SFO Paragraph 3.19 and providing for completion and delivery of the Expansion Space by the required occupancy date set forth in SFO Paragraph 1.7 so as to achieve a lease commencement date for the Expansion Space in common with the commencement date for the initial lease, except as otherwise agreed by the parties.

Alternatively, the Government may elect, at its option, to lease the Expansion Space for a 10 year term, rather than a 15 year term, in which case the rental rate set forth in paragraph 3 above would increase to \$49.25/BRSF, the rent abatement set forth in paragraph 4(a) above would decrease to three months and the Brokerage Commission and Commission Credit set forth in paragraph 6 above would be adjusted accordingly. The Government may also elect to lease less than the full amount of the Expansion Space as set forth above, provided that the remaining un-leased space is configured so as to be reasonably rentable by another federal tenant, in which case the terms applicable to the Expansion Space as set forth above shall be adjusted accordingly.

S. Lessor and the Government shall negotiate a schedule for the design, construction and delivery of space (schedule commencing with the delivery of the Program of Requirements, which shall not be later than April 15, 2008) that is consistent with the terms and the timeframes set forth in the SFO, and shall execute a Supplemental Lease Agreement that sets forth the schedule. Should either the Government or the Lessor fail to discharge their responsibilities as defined herein within the time allocated under the agreed upon construction schedule, such shall constitute "delay". Delay caused by either party may be offset by the early completion of that party's other responsibilities within the schedule. The absolute value of the number of days of one party's delay minus the

number of days of the remaining party's delays shall equal the total number of days of delay for a given stage of the schedule. Delay in substantial completion shall then be attributable to the party having caused the greatest number of days of delay and shall be termed either "Government Delay" or "Lessor Delay" as appropriate.

If Government Delay occurs, then the rent commencement date shall be the same number of days earlier than the acceptance date as the number of days of Government Delay. Any rental paid by the Government prior to actual occupancy shall be less the cost for services and utilities (Base Cost of Services per line 27 of the Form 1217) of the vacant premises. In any event, the Government will not be required to accept space and commence rent prior to the original date as indicated in the "Occupancy Date" paragraph of the SFO, unless otherwise agreed to by the Government. Each day of Lessor Delay will be governed by Paragraph 3.13 of the SFO.

T. The following shall be inserted at the end of General Clause 17:

"In addition to the provision set forth above, the Government agrees not to exercise its option to terminate the lease in the event of partial damage or destruction so long as Lessor is diligently prosecuting the repair and restoration, and all of the following conditions are met:

1. The partial damage or destruction is less than 25% of the Premises;
2. The remainder of the Premises are tenantable and may be used for the purpose for which they were leased;
3. Lessor can demonstrate to the Government's satisfaction that the repair or restoration of the Premises to the condition that existed immediately prior to the damage or destruction can be substantially completed and the Premises reoccupied within 365 days of the damage or destruction and without unreasonable interference to the occupancy of the remainder of the Premises; and
4. Lessor gives the Government a credit for the rent paid by the Government for substitute space in excess of the rent for the same amount of space that would have been due under this lease, and reimburses the Government for its costs to move and return to the leased space."

U. Prior to exercising a right to terminate the lease under General Clause 11 or 16(a), the Government will provide Lessor with written notice of the default and use reasonable efforts to provide the notice to the Lender (as long as the Government is provided with the address for notification to the Lender), which notice shall provide Lessor and its Lender with at least a thirty (30) day period in which to cure the default. In addition, prior to exercising a right to terminate the Lease under General Clause 11 or 16 (a) (1), the Government shall provide Lessor and its Lender with such additional time to cure the default as is necessary provided that Lessor shows that (1) it is diligently prosecuting the work required to cure the default, and (2) the default will be cured within a reasonable period of time, not to exceed a total of ninety (90) days, as determined by the Government. Any such additional time to cure the default shall be conditioned upon Lessor's continuing to diligently pursue the cure of the default throughout the period and upon a demonstration by the Lessor to the reasonable satisfaction of the Contracting Officer through the submission of a detailed schedule and construction management plan (including, if necessary, the use of double shifts, overtime, expedited shipping, and other appropriate acceleration strategies) that the default can be cured within a reasonable period of time which shall not exceed 90 days. Notwithstanding the opportunity to cure a default as provided herein, Lessor shall remain liable for any damages that result from its failure to perform its obligations in accordance with the Lease.

V. In giving or withholding its reasonable consent to assignment under General Clause 2, the Lessor may consider the creditworthiness of the proposed assignee and its comparability to Government's as viewed by the financing markets, and the purpose for which the assignee will use the space. The Government shall notify Lessor within 10 days of any subletting.

W. In the event of a conflict between this SF2 and any other documents that comprise the Lease, the SF2 shall govern.
