## **GSA Policy, GSA Fleet Policy, or Internal Agency Policy?**

**Connie Aaron, GSA Office of Government-wide Policy (OGP)  
George Schaubhut, GSA Fleet**

# Learning Objectives

- Understand how informal decision making can help guide you to your agency's internal policy.
- Understand that what seem to be vague answers from GSA are purposely that way so as not to impede your agency's mission.
- Know where to find additional resources and information for finding out your agency's internal policy on federal fleet questions.
- This is an informal conversation to help you know the right questions to ask your fleet managers and General Counsel's office.
