The total Office Building space is determined by subtracting the bottom 2 floors of 66,044 RSF from the total building of 180,975 RSF. This equals a total Office Building space on the top 8 floors of 114,931 RSF.

Notwithstanding the foregoing, Lessor shall provide this service at no additional cost to the Government if the Lessor provides this service to other tenants in the Building at no additional charge.
