1.) Upon this Lease Amendment (LA) being fully executed and delivered, the Lessor shall consider this a Notice to Proceed on the alterations required in change orders C/O # 1 and 2 as they relate to configuration of millwork, elimination of one server rack, elimination of 35 voice/data locations, door relocation, and elimination of one exterior window from the scope; all of which are depicted in Exhibit "A." The total cost of C/O # 1 and 2 is a credit to the Government [REDACTED]. The anticipated date of completion of all the Tenant Improvements (TI) and Building Specific Security (BSS) is March 21, 2013.

2.) The Government and the Lessor have agreed that the total cost of the TIs and BSS shall change from \$779,170.94 to [REDACTED] [\$779,170.94 - [REDACTED] = [REDACTED]]. The TI and BSS cost includes all the Lessor's fees for general and administrative costs, profit and any and all other fees associated with the completion of the TI and BSS costs covered by change order #1 and 2 by the anticipated date of completion.

3.) The Government shall pay for a portion of the total TI Cost by amortizing \$585,279.97 over the first ten (10) years of the term, monthly in arrears, at an interest rate of 7.0%. Additionally, the Government may pay by lump-sum payment or amortize the Building Specific Security amortized amount of \$10,335.16 over the first ten (10) years, monthly in arrears, at an interest rate of 7.0%. All or a portion of the remaining balance of \$181,418.44 [REDACTED] (Total TI and BSS Cost) – \$585,279.97 (TI amortized) – \$10,335.16 (BSS amount amortized) = \$181,418.44] may be paid by lump-sum, in which case, the amortized portions of the rent shall be adjusted accordingly upon the completion and acceptance by the Government of the Tenant Improvements and BSS. Any additional amortized TI or BSS amounts shall reduce the amount of the lump-sum payment amount.

Upon the completion of the TI and BSS and the acceptance thereof by the Government, the rent commencement date and the adjusted rent schedule (if required due to the amount amortized) shall be established by a separate LA. The subsequent LA shall include the term of the scheduled total rent, the annual Shell Rent amount, the annual Operating Cost amount, and the annual amortized TI and BSS cost (if any).

Once the exact amount of the lump-sum payment has been determined by both parties and the LA is fully executed by the Government and the Lessor, the Lessor may then submit for the lump-sum-payment. The Lessor agrees that the invoice shall be printed on the same letterhead as the named on this lease, shall include the Lease number, building address, and a price and quantity of the items delivered. **The invoice shall reference the number PS0025233** and shall be sent electronically to the GSA Finance Website at <http://www.finance.gsa.gov/defaultexternal.asp>.
