1) Upon this Lease Amendment (LA) being fully executed and delivered, the Lessor shall consider this a Notice to Proceed for Suite 602 on the construction and installation of the TIs, no BSAC, required in the Premises as per the Construction Drawings (CDs) referenced as Insite Architects, Inc., 106 S. St. Mary's Street, San Antonio, Texas, containing 24 pages, and last revised on May 18, 2017. Additionally, the cost associated with the CDs is depicted in Exhibit "A" titled the "Tenant Improvement Cost Summary" (TICS), provided to GSA August 16, 2017. The total cost of the TIs for Suite 602 is \$505,046.18 and there is no BSAC in this Lease. The anticipated date of completion of all the TIs for Suite 602 is on or before November 16, 2017.

Therefore, Section 4.01, paragraph I of the Lease, shall be deleted and replaced with the following:

"I. Construction of TIs and completion of other required construction work: The Lessor shall complete all work required to prepare the Suite 602 Premises as required in this Lease ready for use not later than November 16, 2017."

2) The Government and the Lessor have agreed that the total cost of the TIs for Suite 602 shall be \$505,046.18. The total TI cost of \$505,046.18 includes all fees including but not limited to general and administrative costs, project management fees, profit, overhead, and any and all other fees associated with the completion of the TIs on or before the anticipated date of completion.

Any changes to the Construction Drawings which will result in a financial, conditional, or term change to the Lease, of any type, must be approved, in writing, and in advance of any resulting work performed by the Lessor, by the GSA Contracting Officer.

3) The Tenant Improvement Allowance (TIA) per the Lease Agreement is \$126,175.56 for Suite 602. The TIA shall be amortized over the term of the lease and more specifically the first five (5) years of the term at an interest rate of 6.00%. The total amount of the TIA to be amortized is \$126,175.56.

4) The Government shall pay for the total TI cost by amortizing in the rent a total cost of \$126,175.56. All or a portion of the remaining balance of \$378,870.62 [ $\$505,046.18$  (Total TI) –  $\$126,175.56$  (TI amortized) =  $\$378,870.62$ ] for Suite 602 may be paid by a lump-sum payment.

Upon the completion of the TI construction and the acceptance of the space by the Government, the subsequent space Acceptance Lease Amendment, with the exact amount of the lump-sum payment, will be determined by the Government. The Lessor shall be paid for the total amount of the TIs totaling \$505,046.18 using a combination of amortized allowances and a lump-sum-payment. The subsequent space Acceptance Lease Amendment shall include the terms and amounts of the scheduled total rent, including the breakdown of the annual Shell Rent amount, the annual Operating Cost amount (plus CPI adjustments), and the annual amortized TI costs and the amount of the total lump-sum payment to the Lessor. Lessor may then submit for the lump-sum-payment.

The Lessor agrees that the invoice shall be printed on the same letterhead as the named on the Lease, shall include the Lease number, building address, and a price and quantity of the items delivered. The invoice shall reference the number **PS0039120** and shall be sent electronically to the GSA Finance Website at <http://www.finance.gsa.gov/defaultexternal.asp>. Instructions for invoice submission are included on the website. Additional assistance is available from the Finance Customer Service line at 800-676-3690.

If the Lessor is unable to process the invoice electronically, then the invoice may be mailed to:

General Services Administration  
FTS and PBS Payment Division (7BCP)  
P.O. Box 17181  
Fort Worth, TX 76102-0181

Lessor also agrees that a copy of the invoice shall be sent simultaneously to the GSA Project Manager at the following address:

General Services Administration  
**ATTN: Jorge Gomez**  
**Jorge.gomez@gsa.gov**

5) All other terms and conditions of the Lease shall remain in full force and effect.
