

MOST POPULAR TOY

Nerf balls made their debut in 1969 and rose to fame in the '70s. The foam-based balls were beloved by parents and children alike; children could throw them hard without hurting anyone and parents loved that the foam prevented damage and injury.

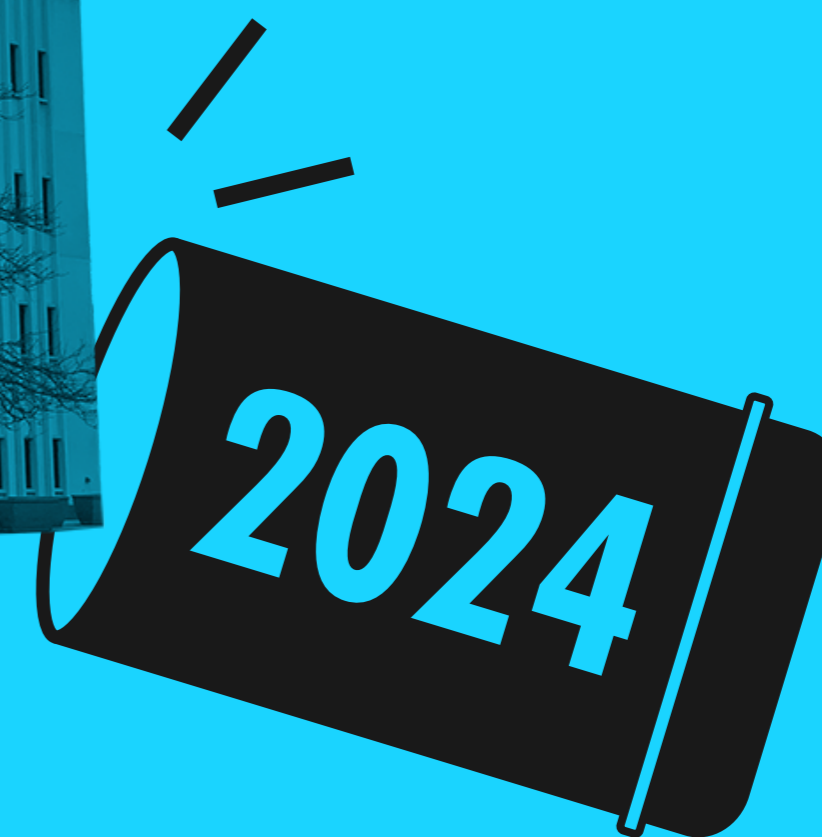

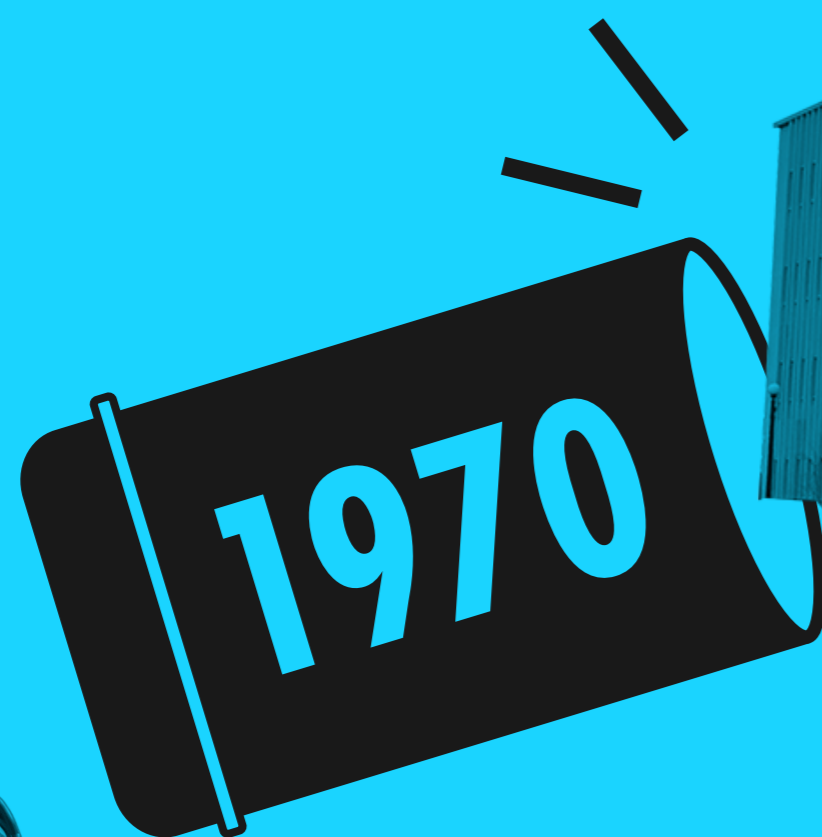

REGION 8'S

TIME CAPSULE

Paul McCartney announces his "break with the Beatles." The group, one of the most influential in music history, later officially disbands.
